

EXTENSIONS OF REMARKS

ESTABLISHING THE SELECT COMMITTEE TO INVESTIGATE THE JANUARY 6TH ATTACK ON THE UNITED STATES CAPITOL

SPEECH OF

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 30, 2021

Ms. KAPTUR. Madam Speaker, the assault that took place on January 6th was not just against the Capitol building, or on Members of Congress, Congressional staff, or Capitol Police—the actions of that day were also an attack on the very foundation of our democracy.

The violence—and the tragic death it yielded demand that we lay aside our partisan agendas and begin the difficult but necessary work to unravel what happened.

I am pleased that the Select Committee is charged with a broad mandate to investigate the various factors that played a role in the assault, including extremism on online platforms, involvement of domestic terrorist groups, the influence of foreign actors, and the financial support that made it all possible.

I look forward to the final product of this committee's work, and to implementing its recommendations to ensure the events of January 6th are never repeated.

CELEBRATING THE LIFE OF DR. SARA ADLER

HON. TED LIEU

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, July 2, 2021

Mr. LIEU. Madam Speaker, I rise to celebrate the life of Dr. Sara Adler who passed away on June 21, 2021. With decades of work as a professor, researcher, and author, Dr. Adler's passion for education and generous spirit has impacted not only the lives of her students, but also the academic field of Italian Studies and Literature.

Born on September 14, 1946, Dr. Adler earned a bachelor's degree in Italian from Smith College, and a master's degree and Ph.D. in Italian from Harvard University. Sara then went on to pursue a career in academia and education.

Dr. Adler taught Italian at Harvard University, Georgetown University, and Wellesley

College before earning the title of Professor Emerita of Scripps College in Claremont, California. During her 40 years at Scripps College, Dr. Adler led the teaching of Italian Studies at The Claremont Colleges. Sara also served as a member of the Board of Trustees of The Webb Schools in Claremont and of the Board Advisory Committee of Scripps College. To honor her decades of academic leadership an endowed Professorship of Italian Studies was created in Dr. Adler's name by Scripps College following her retirement in 2018.

In addition to her tremendous achievements in the classroom, Dr. Adler authored the book, *Calvino: The Writer as Fablemaker*, centered around Italian fiction of the Twentieth Century and women poets of the Italian Renaissance, and published a number of peer reviewed articles and papers.

Spending time with her children, her grandchildren, her loving family and friends, and seeing her students grow and prosper brought Sara great joy. She was full of good humor and fine taste to the end. Dr. Adler fought on despite the incredible pain brought on by ALS, with true determination so that she could live her life with dignity and purpose. We can learn a lot from her example of living life to the fullest.

Dr. Sara Adler is survived by her spouse of 48 years, Robert L. Adler; her son Joe and his wife, Carrie; her daughter Caroline and her husband, Tristan; and four grandchildren: Ben, Penny, Liana, and Halle. May her memory be a blessing to all who knew her.

INVESTING IN A NEW VISION FOR THE ENVIRONMENT AND SURFACE TRANSPORTATION IN AMERICA ACT

SPEECH OF

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Wednesday, June 3, 2021

Ms. KAPTUR. Mr. Speaker, today, I rise to bring attention to the workforce development challenges brought about by our nation's transition to electric vehicles in our public fleets.

I urge support for my amendment to the surface transportation bill, amendment No. 51 as designated in the House Resolution and considered in en bloc democratic amendment No. 1.

The electric vehicles of tomorrow present an important opportunity for our nation. But this transition must be fair for the workers who have long labored to maintain our fleet of diesel-powered vehicles.

The federal government must take a leadership role in helping our transit agencies prepare their workers to maintain an entirely new system of hardware.

To that end, I have introduced an amendment that expresses a sense of Congress that the Department of Transportation should create a workforce development strategy that pre-

pares for an electric, hydrogen, advanced biofuel, and hybrid vehicle future. I urge support for its inclusion in the INVEST Act.

It is critical that while we invest in a greener future, we also provide opportunities for our mechanics and other transit and public fleet maintenance employees who work hard to keep American strong and moving forward.

IN HONOR OF THE LIFE OF ISAAC TATE BERBERT

HON. BLAKE D. MOORE

OF UTAH

IN THE HOUSE OF REPRESENTATIVES

Friday, July 2, 2021

Mr. MOORE of Utah. Madam Speaker, I rise today to recognize the life of Isaac Tate Berbert, a treasured member of the Berbert family and a friend who was taken from us far too soon on June 20, 2021.

Born January 22, 2003 in Layton, Utah, Isaac was full of life and adventure. After living in Beijing, London, Shenyang, Samoa, and Utah, Isaac developed a deep fascination and love for the world around him, leading him to memorize country flags and study the World Almanac.

After graduating from Davis High School just a few short weeks ago, Isaac planned to attend the University of Utah on an academic scholarship this Fall. He aspired to supplement his education by becoming a pilot so that he could continue his travels for years to come.

Isaac's passion for travel was matched by his love of the outdoors. He spent endless hours with friends in the wilderness staring at the stars in the sky.

More than anything else, Isaac will be remembered for his special relationship with his family. Whether fishing with his grandpa or swimming in the open waters of the Pacific with his older brother Lincoln, Isaac was a beautiful presence in the lives of his loved ones.

Isaac is survived by his father, Chad Jonathan; his mother, Anne Elizabeth; his sister, Mia Lucia Schramm (Taris); his brothers, Lincoln James, Eli Jenkins, and Jacob Christopher; and his many grandparents, uncles, aunts, and cousins.

My sincere hope is that, for years to come, Father's Day can be a special day to celebrate Isaac, his life, and what he meant to his family. I join the Berbert family and the entire community in mourning the loss of Isaac. He was tragically taken from us far too soon, but his memory will live on with those who loved him forever.

After graduating, Isaac's dream was to take over the world. Even now, I know he is accomplishing that special dream. We will miss Isaac.

RECOGNIZING MEMBERS OF THE
OHIO NATIONAL GUARD WHO
ARE SERVING CLEVELAND
FOODBANKS

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, July 2, 2021

Ms. KAPTUR. Madam Speaker, I rise today to recognize our fine men and women from the Ohio National Guard who have risen to a challenge on the home front as our communities wrestle with the effects of the COVID-19 pandemic. When our local foodbanks began to see increases in people needing food to feed themselves and their families, even as the pandemic imposed restrictions on staff and volunteers to help, we were able to work with the Ohio National Guard to send units to help distribute food to our neighbors. This food has been a lifeline to those served, who through no fault of their own were left jobless, without funds, unsure of the future, and hungry.

Truly, the Ohio National Guard lives up to its motto, "Always ready! Always there!", and we cannot thank them enough for their compassionate and brave service.

Those serving the Cleveland area include: CAPT Keffer, SGT Fowler, SGT Jarkewicz, SGT Buzi, SGT Wooden, SGT Billingsley, Jared Kaczur, Aaron Kaczur, Tonya Sypolt, Bobby Shepherd. The Greater Cleveland Foodbank has recognized these individuals for going "above and beyond to help" at its weekly drive-through distribution and deliveries of groceries to older adults.

TRIBUTE TO JOYCE MULLIKEN

HON. DAN NEWHOUSE

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

Friday, July 2, 2021

Mr. NEWHOUSE. Madam Speaker, I rise today to commemorate the life of one of my constituents, Joyce Mulliken of Ephrata. Joyce Mulliken was a loving wife, mother, and grandmother. She will be dearly missed by her husband of 57 years, Mike, their son Dan, and her entire community.

A loyal and dedicated public servant, Joyce served in the Washington State House of Representatives representing Grant, Kittitas, and Yakima counties. After serving four terms in the State House, Joyce then served as a Washington State Senator in 2003, dutifully representing her beloved community.

In 2006, Joyce was appointed to the Growth Management Hearings Board, where she worked with citizens, communities, and the private sector to coordinate and plan growth so our state could continue to prosper while protecting our quality of life. After her time as an elected official, she continued to lend her knowledge and insights on legislation with elected officials, even as recently as the 2021 session.

We owe a great debt to Joyce for her continued leadership and integrity, and she leaves a remarkable and admirable legacy behind her. May we all aspire to replicate her continued willingness to be mentor and a friend throughout her life. May her family and her community continue to be blessed by her memory. Rest in Peace, my friend.

RECOGNIZING LEADING FAMILIES
HOME

HON. MARCY KAPTUR

OF OHIO

IN THE HOUSE OF REPRESENTATIVES

Friday, July 2, 2021

Ms. KAPTUR. Madam Speaker, I rise today to recognize Beach House Family Shelter's 100th anniversary. Founded in Toledo in 1921 as Beach House Family Shelter, the organization is now under the auspices of Leading Families Home. It provides families with resources to effectively transition from homelessness to permanent housing.

In 1921, Mrs. Helen (Beach) Jones, the wife of former Toledo mayor Samuel Jones, began working with several local women's organizations to establish a shelter for homeless single women and women with children. Progressive and nationally known, Mayor Samuel "Golden Rule" Jones lived by the teaching to "Do unto others as you would have them do unto you." This guiding principle directed Mrs. Jones' efforts and leadership as well. Beach House offered structure and stability to struggling women, teaching them the skills needed to move forward. So many families were given new life and a chance for success through Beach House.

In the early 1980s, Beach House began to include homeless intact families and single fathers with children in an effort to keep families together. This initiative has helped families achieve success.

Beach House combined with FOCUS in 2016 to become Leading Families Home. FOCUS was founded in 1982 by pastors in the Old West End neighborhood of Toledo in response to growing community needs to help people regain independence and economic stability through education and employment.

The work of Leading Families Home has helped hundreds of families in the Greater Toledo Metropolitan area and throughout Lucas County. Its efforts provide refuge to those who have nowhere else to go. Its mission to provide a safe haven has been a lifeline to so many. Residents are offered clean beds, meals, showers, washers and dryers, and personal hygiene items. Further, residents receive access to programs dedicated to vocational training, education, work referrals, and other resources to help people gain and maintain employment. This one-on-one attention is exactly what individuals need to regain stability in their life.

Given the circumstances of the past year, physical and mental health have become at the forefront of all our lives. Leading Families Home recognizes the importance of health and has made it a mission to serve residents with a team of trained mental health counselors and behavioral specialists to assist.

From 1921 to 2021 Leading Families Home has helped improve the Toledo Metropolitan area as well as Lucas County by their continuous efforts to assist people in need. I hereby recognize and congratulate the Leading Families Home organization for one hundred years of dedicated service to the Toledo community.
